REASONS FOR ALLOWANCE

The amendment filed on August 9, 2005 has been entered. The specification and claims 1, 10, 21 and 24 have been amended and claims 7, 8 and 20 have been cancelled.

The new drawing sheet containing Figure 33 was received on August 9, 2005. The drawings are acceptable.

Claims 1-6, 9-19 and 21-33 are allowed.

The following is an examiner's statement of reasons for allowance:

None of the prior art of record shows or suggests a clutch brake including a brake housing and an armature arranged together in the manner set forth in claim 1, and particularly wherein the brake housing has two sources of magnetic flux and a through hole sized to allow passage of a shaft, and the armature includes a number of slots positioned to separate lines of magnetic flux generated by a first source of magnetic flux from lines of magnetic flux generated by a second source of magnetic flux.

Nor does the prior art of record show or suggest a driveline clutch assembly including a master clutch for transmitting rotational power between a prime mover and a transmission input shaft, a release bearing, a release bearing actuating member and a clutch brake arranged together in the manner set forth in claim 10, and particularly wherein the clutch brake includes a brake housing including at least one source of magnetic flux and an armature secured for rotation with the shaft.

Nor does of the prior art of record show or suggest a combination brake and bearing cap including brake housing and an armature arranged together in the manner set forth in claim 24, and particularly wherein the brake housing includes a bearing seal retaining surface, at least one source of magnetic flux, a through hole sized to allow passage of a shaft, and an armature secured for rotation with the shaft.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard M. Lorence whose telephone number is (571) 272-7094. The examiner can normally be reached on Mondays through Fridays from 9:00AM to 5:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Charles A. Marmor can be reached on (571) 272-7095. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
